

## APPENDIX A. EUDIME APPLICATION FORM

THIRD EDITION (ACADEMIC YEAR 2013-2014)

### APPLICATION DEADLINE December 3<sup>rd</sup> 2012 (mid-night CET)

Applications received after the deadline will be not considered.

#### Instructions

- 1) Complete all fields of this form. Any incomplete application will be rejected.
- 2) Save a scanned signed copy of the present application form as a PDF file; the file must be entitled: **NAME\_ApplicationForm. pdf.**
- 3) Register on-line at the official website of the EUDIME programme: <http://eudime.unical.it> ; after successfully registering, you must login and upload in electronic format as PDF files all requested documents (included in the sequence listed at the end of this form).
- 4) For a better safeguard of the applicant, you are invited to submit your application (including all requested documents) also via e-mail to the EUDIME Management Office: [eudime@unical.it](mailto:eudime@unical.it).

After reception of your application, we will acknowledge receipt of your application by e-mail; if you do not receive the confirming e-mail within 7 days after your submission, please contact us with urgency.

Pre-selected students will be requested to provide the originals or certified copies of all documents they have submitted in electronic form with their application and any additional document required by EUDIME Consortium.

*The Erasmus Mundus Doctorate in Membrane Engineering (EUDIME) is supported by the Erasmus Mundus programme of the European Union. A number of Erasmus Mundus (EM) fellowships - as an indication, this number will be probably 9 - are offered to best selected candidates. The Consortium will make all possible efforts to provide additional no-EM fellowships. Candidates should be aware that the number of fellowships is limited; therefore, candidates may be admitted to the EUDIME Doctorate even while they are not selected for an Erasmus Mundus fellowship.*

You are applying (please tick the appropriate box):

only for EUDIME Doctorate

for both EUDIME Doctorate and Erasmus Mundus fellowship

If you are not awarded an Erasmus Mundus (EM) fellowship, would you still wish to join EUDIME Doctorate (please tick the appropriate box)?

Yes

No

## 6. RESEARCH PROJECTS AND MOBILITY TRACK

Please rank the research activity according to your preference (indicate highest preference with 1, second preference with 2, and so on); also indicate the three preferred Universities (use acronyms) of the EUDiME Consortium. Details about the programme at: <http://eudime.unical.it>.

**NOTE:** Being accepted to the EUDiME Doctorate does not guarantee that you will be assigned to your mobility option or research activity preference. Selected applicants will be offered a study track based on availability and, as much as possible, preference.

Order of Preference	Research themes
	Membrane systems for desalination and water treatment
	(Bio-Catalytic) Membrane Reactors for wastewater treatment/ Photocatalytic reactors for wastewater treatment
	Nanofabrication / inorganic-hybrid membranes
	Electrolyte membranes for fuel cells
	Membranes for gas separation, catalytic reactors & biofuel production
	Biomedical membrane processes/ Active Pharmaceutical Ingredients/Food formulation
	Membranes for Downstream Processing and Recovery of Bioactive Compounds
	Nanoporous films and membranes in microsystems

Order of Preference	Home University
